Hi everyone,

This email is to catch up with you. Currently I am re-organizing my contacts list. If you don’t want to receive my seasonal news, click on this link: unsubscribe.

You are welcome to take notice of the events around my research with Budhaditya Chattopadhyay as part of their project ‘Rituals for Situated Sonic Reverence’ during Terra Libera at Rijksmuseum Twente in Enschede.

Besides this, I have some acoustic voice performances planned in Italy and the Netherlands, celebrating my solo debut album ‘JNNK’. To pre-order the vinyl (with a 10% discount), send me an email. The album will be released on the solstice of June 21st.

As a warm-up to the LP, we published a pre-release in a limited edition of 100 numbered copies. It will be available at the exhibition ‘Charlois en de Sterren’, presenting a full-lenght track of the album during South Explorer in Rotterdam, on April 22nd.

Please keep an eye on the calendar. I hope to meet you in person at one of these events, or re-connect in some other way!

My very best,
Janneke

Janneke van der Putten
